IMPORTANT: Freedom Reins ask that if assisting with the lessons as a horse leader or sidewalker that you commit yourself to at least one to two hours per week for the entire session. Currently we try to run on a 6 week session timeframe with 2 weeks off between sessions. We ask that you prearrange a regular time and day that we can count on your attendance. Volunteers are critical to the success of the program and we rely on their attendance to make classes go smoothly. If you are unable to make your prearranged time slot we ask that you call our volunteer coordinator as soon as possible as we will need time to find a replacement.

THANK YOU!!!
